

## Getting specific about inviting U19's in NH to come ski with NEMS

What do "we" NEMS have to offer that a U19 might want?

1. Ski with group passionate about ski racing
2. Ski racing isn't limited
3. Smaller field size
4. Another race opportunity against different competitors
5. A chance to gain more confidence (we aren't FIS racers)

If you are attending a NEMS race or a training session where U19 is participating would you be willing to assist?  
(I will be using Race Reg. to identify your ability to assist)

Do you have a Seniors license?

Are you Safe Sport Certified?

What do U19 athletes and Coaches need/want that NEMS might be able to assist?

1. ie. Different mountain and longer runs than training
- 2.
- 3.

What do you think are desirable outcomes of having U19 Participate with NEMS?

1. Recruiting future Masters racers who want to keep racing.
2. Keeping passionate racers from giving up their passion.
3. Pipe line for future competitors.

From your perspective what are characteristics of a quality match that would encourage both groups to replicate this Next year?

1. ie. U19's leave the race having enjoyed their time
2. ie. U19's integrate into race day and respect our non-scored race without disruption to their regular schedule
3. ie. Connects made for the future.
